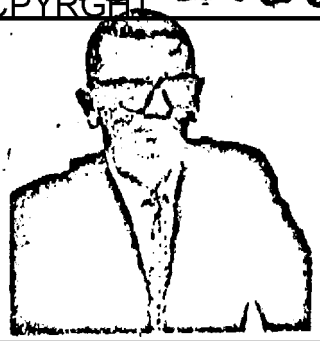
[redacted] STATINTL

The Inner City

CPYRGHT



GEORGE McEVOY

CPYRGHT

will be on the campus of the American Institute for Foreign Trade, in Glendale, this Thursday to interview the students.

Since most of the graduates there go into private commerce overseas, could it be we're taking a page out of Russia's notebook and briefing our "businessmen" on what to look for in their travels?

Well, maybe we're getting smart in this country. R.L. Ryman of the Super-Secret Central Intelligence Agency
